# Handling principals in the event of a positive screening test result

- Individual (index person) to be isolated in hotel room until result of confirmation test (approx. 24 hrs).
- Sample is taken at the test centres and sent to University Hospital for analysis.
- Potential close contacts are to be quarantined in parallel with index person.
  - **Potential close contact:**
    - Physical contact, being in contact < 2meters > 15 minutes, sharing a meal,
    - sitting next to index person on a plane/bus
    - Sitting at the same row or 2 rows in front of or 2 rows behind index person on a plane/bus
- Close contacts and potential close contacts are not to be re- tested unless they develop symptoms of Covid – 19.
- If positive confirmation test of index person, Company Doctor to notify Municipality Physician for further follow up and clarification of strategy.
